

Plane torture course: L1 versus previous settings versus derived settings

Red diamonds retain explicit overfly distance; overrun uses identical common corners and both mission stages

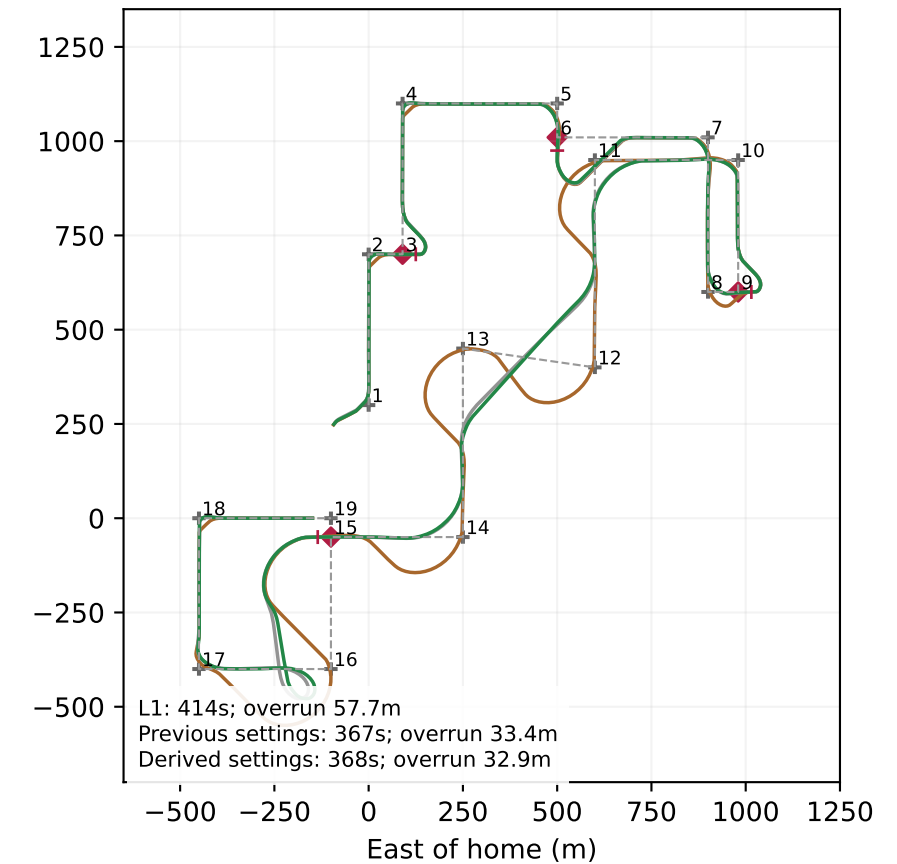

Calm — full course

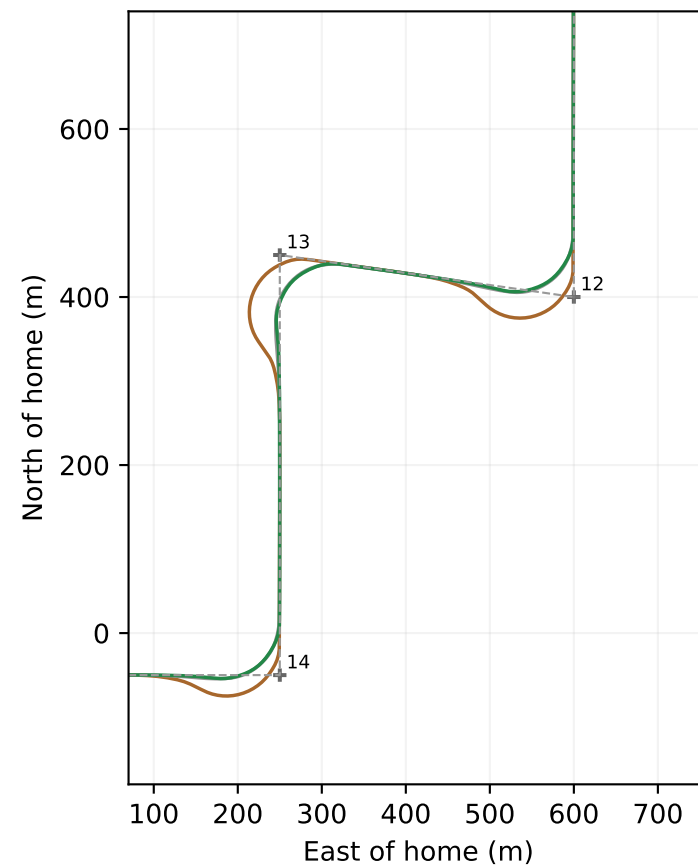

5m/s from NE — full course

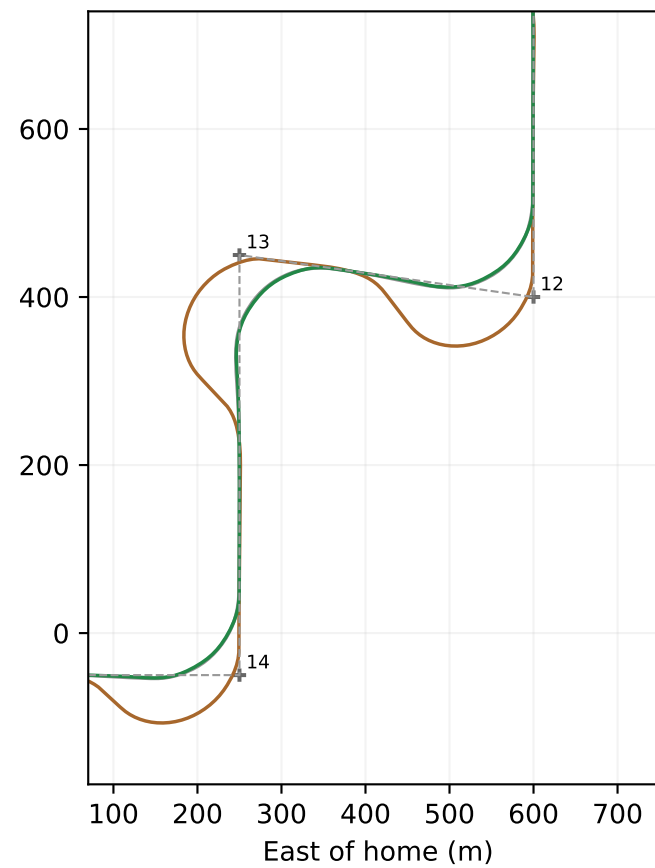

10m/s from NE — full course

Calm — WP12-14

5m/s from NE — WP12-14

10m/s from NE — WP12-14
